The National Campus and Community Radio Association is an organization that provides advocacy and services for campus and community radio stations across the country. One of the most important services we provide is the annual conference, which brings together 150+ broadcasters, industry professionals, and local musicians from across Canada to train and develop their skills, network, and provide exposure.

NCRA/ANREC and CHLY 101.7FM are excited to bring the 43rd annual National Campus and Community Radio Conference (NCRC) to Nanaimo, BC, from **June 17th to June 20th, 2025**. The event will take place on campus at the Vancouver Island University.
